THE CAYSA CHRONICLES

GET SET FOR REGIONAL ELECTIONS

Have you considered running for a regional office for CAYSA? Serving your region as a CAYSA officer is a great way to meet new people, network with colleagues and build your leadership skills!

This fall, each region will elect a new slate of officers. CAYSA is a dual member chapter of the American Correctional Association. Your CAYSA membership entitles you to all the benefits of both organizations. Your region is determined by the county in which you live or work. As a result, CAYSA regions provide a forum for discussion of local, regional needs and problems and to gain statewide recognition and representation.
